

Information

for the Stipendium Hungaricum students of Budapest University of Technology and Economics

Medical call center day and night* +36 1 461 15 26

Stipendium Hungaricum students can make a phone call every day of the year, 24 hours, and can discuss their medical problem with a practicing doctor:

- on the availability of medical services, pharmacies, medical institutions
- about health and disease,
- on healthy nutrition,
- about healthy lifestyle and prevention,
- on diagnosis and treatment requests,
- on medicines, their effects, side effects, applicability, interactions and substitutability,
- time coordination.

In case of a medical problem:

- first step:** calling +36 1 461 1526
identifying yourself (name, birth date, education ID, neptun ID)
brief description of your problem
telephone consultation with a doctor
getting the doctor's name, address and the date and time of your appointment
- second step:** on-site appearance at the doctor
identifying yourself with your residence permit or passport
(student ID is not acceptable)

You don't have to pay for the medical examination. The insurance company UNIQA Insurance Co. and the service provider Advance Medical Ltd will settle the bill.

* The utilization of medical hotline and the information received there cannot substitute the personal medical examination of the patient, thus UNIQA Insurance Co. shall not be responsible for any consequence or claim arising due to the sole consideration of the phone consultancy or the skip of the personal medical examination.
